You go home and
you find your
house completely
empty. Everything
is gone...

Become Homeless — You also find that
all your money is
gone...

You become
homeless and
now you sit
outside asking
for money...

You explore it for yourself but then you find that the phone booth has a new note on it. You read it and it says "Behind you."

You look behind you and realize that a girl in a hoodie is there and she starts walking to you. You have no escape and you cant move in fear. She knocks you out and you die.

People donate money to you and you go back to having a normal life

Give up by yourself or try investigating by yourself and you find that the phone booth works occasionally but then you find that Elise is a Youtuber and she has a video about the exact same prank she did on you...

- Give up and go to jail
